IRIDIUM

Extreme PTT

Satellite handset for group push-to-talk communications.

At a glance

- Supports group voice for teams using configured talkgroups.
- The Iridium PTT Command Center supports configuration of users, talkgroups and coverage areas.
- Plan the group structure and PTT service around the actual operation.

What to include in your enquiry

List the teams, users, operating regions and talkgroups you need. Confirm the PTT subscription and who will manage it.

Confirm availability, coverage and plan terms for your intended use. Where quoted, manufacturer maximums depend on conditions.
