ACCESSORIES

Protective cases

Choose protection around the equipment, its accessories and the trip.

What to compare

- Measure the device and identify what else the case must hold.
- Compare published impact or ingress ratings for the specific case.
- Consider cable storage, antenna protection and access to controls.

What to include in your enquiry

Provide the device dimensions and list the accessories you carry. Describe dust, splash and impact exposure.

Category image shows an example. Confirm exact fit and specifications before ordering.
